Monday, March 16, 2020

Dear friends of Grace,

Grace Lutheran Church has suspended all worship services, meetings, office hours and trips from today, March 16<sup>th</sup> through March 31<sup>st</sup>. This is in response to the letter all congregations received from Bishop Sue Briner of the Southwestern Texas Synod of the ELCA Sunday, March 14 about COVID-19. A copy of the letter can be found [HERE](#). Visit [www.swtsynod.org/coronavirus](http://www.swtsynod.org/coronavirus) for more churchwide information.

Grace's membership have been divided between four contact persons. Your contact person may have called you Sunday, March 15 if not, they will be calling you this week. Your contact person will be your source for information, should you have any questions, concerns or want someone to pray with you may contact them. Please do not hesitate to contact Pastor Cindy or leave a voice mail with the office. All messages on the office voice mail will be returned.

For organizations who utilize Grace's facilities for your group meetings, we strongly advise you to cancel any scheduled meetings held at Grace. If you have questions, please leave a voice mail at 512-255-6001 and someone will return your call.

Please know that we are holding you in prayer during this time of anxiety. This is a changing situation and communicating with you is important. Information will be made available by e-mail, at [www.graceline.org](http://www.graceline.org), [Grace's Facebook page](#), and by phone.

The peace of God be with you all.

Pastor Cindy Wolf

*Psalm 62:8 "Trust in God at all times you people,  
pour out your hearts to God for God is our refuge."*
